

Nove mere za suzbijanje COVID-19

Poštovani klijenti,

Vlada Republike Srbije donela je nove mere za suzbijanje COVID-19 koje stupaju na snagu u **utorak, 24. novembra.**

Nove mere su:

- skraćenje radnog vremena do 18:00h restoranima, kafićima, barovima, klubovima, kladionicama i tržnim centrima;
- obavezno nošenje maske u zatvorenom, kao i na otvorenom prostoru u onim situacijama u kojima se ne mogu izbeći međuljudski kontakti;
- zabrana svih javnih okupljanja s prisustvom više od 5 osoba u zatvorenom i na otvorenom prostoru (od ove mere izuzete su radne organizacije, školske ustanove, prodavnice, tržni centri i slični objekti za koje važi propisano ograničenje od minimum 4 m² po osobi);
- omogućavanje rada od kuće svim zaposlenima u slučajevima u kojima radni proces to dopušta;
- stroga kontrola obaveze nošenja zaštitne maske u vozilima javnog prevoza, uz ograničenje maksimalnog broja putnika u vozilu na polovinu deklarisanog kapaciteta vozila;
- stroga kontrola sprovođenja kućne izolacije, kućnog karantina i samoizolacije, kao i svih ostalih mera koje su na snazi.

New measures for suppressing COVID-19

Dear clients,

the Government of the Republic of Serbia has adopted new measures for suppressing COVID-19 which enter into force on **Tuesday, 24 November.**

The new measures include:

- shortening of working hours until 6 p.m. for restaurants, cafés, bars, clubs, casinos and shopping centers;
- mandatory wearing of face masks indoors, as well as outdoors in situations in which interpersonal contact cannot be avoided;
- ban on all public gatherings with more than 5 persons, both indoors and outdoors (this excludes workplaces, educational institutions, stores, shopping centers and similar objects in which the limitation of 4 square meters per person is stipulated);
- enabling work from home to all employees in cases where the work process allows;
- strict control of wearing of face masks in public transport vehicles, with a reduction of the maximum number of passengers in the vehicle to one half of the declared capacity of the vehicle;
- strict control of the implementation of home isolation, home quarantine and self-

Napred navedene mere će biti na snazi najmanje 10 dana, kada će iste biti iznova razmotrene u skladu sa aktuelnom epidemiološkom situacijom.

Redovno ćemo vas obavještavati o svakom novom razvoju situacije.

S poštovanjem,

isolation, as well as all the other measures currently in force.

The above stated measures shall remain in force for a minimum of 10 days, when the same will be reconsidered in accordance with the current epidemiological situation.

We will keep you regularly informed of any new developments.

Sincerely,
