

Nove mere protiv COVID-19: prema nezvaničnim informacijama, omogućen rad vikendom

Poštovani klijenti,

Obaveštavamo Vas da je, prema nezvaničnim informacijama iz medija, Krizni štab doneo odluku po kojoj će tržni centri, uslužni objekti, kafići i restorani ovog vikenda moći da rade do 20 časova, uz poštovanje svih propisanih epidemioloških mera (uključujući i zabranu puštanja muzike u ugostiteljskim objektima). Ove mere važiće i u ponedeljak.

Dodatno, za vikend je najavljena stroža kontrola poštovanja mera u napred navedenim objektima.

Osim ovih mera kojima se dosadašnja ograničenja relaksiraju, doneta je i jedna kojom se postojeća ograničenja pooštrevaju. Naime, prema dosadašnjim merama, tržni centri i drugi zatvoreni objekti bili su dužni da omoguće da jedna osoba zauzima najmanje 4 kvadratna metra. Sada je ta granica podignuta na 9 kvadratnih metara po osobi.

Nova sednica Vlade, na kojoj će se odlučivati o merama koje će važiti za doček Nove godine, zakazana je za ponedeljak.

Napominjemo da još uvek nije objavljena nikakva formalna odluka, već se ovo obaveštenje zasniva

New measures against COVID-19: according to unofficial announcements, work during the weekend is enabled

Dear clients,

We inform you that, according to the unofficial media announcements, the Crisis headquarters rendered a decision under which shopping centers, service facilities, cafés and restaurants will be able to work until 8 p.m. this weekend, with the application of all prescribed epidemiological measures (including the ban on playing music in catering facilities). These measures shall also be in force on Monday.

Furthermore, a stricter control of the application of safety measures has been announced for the weekend.

Apart from measures which relax the current limitations, a new measure which reinforces the existing limitations has been adopted. Namely, according to the measures which were in force until today, shopping malls and other closed facilities were obliged to enable that one person takes up at least 4 square meters of space. This limit is now increased to 9 square meters per person.

The new session of the Government, where measures concerning the New Year will be rendered, is scheduled for Monday.

We point out that the formal decision has not yet been published and that this notice is based on

na nezvaničnim informacijama iz medija koji se referišu na izjave članova Kriznog štaba.

Redovno ćemo vas obavještavati o svakom novom razvoju situacije.

S poštovanjem,
